Local Technician Gerald Krawczak receives Award of Excellence

1/12/12

Flint, MI – Goyette Mechanical has announced their 2011 Excellence in Service Award winners. Local Montrose resident Gerald Krawczak is has been awarded the Curt Maser Excellence in HVAC Service Award.

The Curt Maser Award is given each year to the Goyette HVAC Service technician that exemplifies excellence in Customer Service, Training and Certifications, as well as professionalism and customer reviews. Gerald has been a specialty Service Technician with Goyette Mechanical for 7 years. This is the first time he has received this award.

Mr. Krawczak has also been a part of “Project Heats On” an annual community effort to help needy families in the Burton Area. *Project Heats On* selects 40 Burton area homes and provides much needed furnace cleaning, repair and even replacement free of charge for families in need. Gerald has volunteered his services with *Project Heats On* for 3 years.

Curt Lalonde, General Manager for Goyette Mechanical says that “Gerald’s years of fantastic service and professionalism have earned him this award.” “We are proud every day to have Gerald representing our company”
